

LABORATORY EDUCATIONAL PUBLICATIONS

Laboratory Quality Assurance: A Plan for Implementation

A new turnkey publication on Quality Assurance (QA) which includes a working template of a QA Plan for any laboratory to implement immediately. Divided into four sections, the publication includes: an explanation of the benefits of an effective QA process, a brief synopsis of the QA process and the elements of a complete QA plan, a turnkey QA plan to use or adapt for use, and QA forms to document all of your activities. Purchase the hard copy manual, or purchase both a hard copy and electronic copy of the manual and forms and customize them for your own laboratory.

Order Code for hard copy of the manual: MQAP \$110.00. Order Code for hard copy plus CD: MQAPD \$150.00

COLA LabFacts

Brief, to-the-point, easy-to-use guides in three categories: Laboratory Administration, Testing/Specialties, and Quality Control. Purchase the entire set of 28 listed below, or purchase the LabFacts individually to suit your needs.

Bound Set of All 28 COLA LabFacts Order Code: MLBFT \$75.00

CLIA Facts for Laboratories

This highly popular item has been revised to make it current with the final CLIA regulations published in January 2003. Thirty-four fact sheets answer your questions about the Clinical Laboratory Improvement Amendments (CLIA). These single-topic fact sheets condense information from a variety of voluminous sources, such as the Federal Register and laboratory manuals, into user-friendly, one- and two-page formats.

The new series of CLIA Facts stress the systems approach to laboratory testing, and include topics under the following categories: Updated Regulations, Registering for CLIA, the CLIA Inspection Process, Waived & PPMP Testing, Facility Administration for Non-waived Testing, Quality Systems for Non-waived Testing, Specialty-Specific Control Procedures, Personnel, and Proficiency Testing. Purchase the entire set of 34 listed below in a bound booklet, by sets, or individually to suit your needs.

	<i>Bound Set of All 34 CLIA Facts</i>	<i>Order Code: MCALL</i>	<i>\$60.00</i>
1 Individual Fact Sheet	See List Below for Individual Titles		MCI \$5.00
CLIA Facts Set 1	Updated Regulations	Order Code	MCS1 \$10.00
CLIA Facts Set 2	Registering for CLIA	Order Code	MCS2 \$10.00
CLIA Facts Set 3	Centers for Medicare & Medicaid Services (CMS)	Order Code	MCS3 \$25.00
CLIA Facts Set 4	Waived & Provider-Performed Microscopy (PPMP) Procedures	Order Code	MCS4 \$10.00
CLIA Facts Set 5	Quality Systems for Non-Waived Testing	Order Code	MCS5 \$25.00
CLIA Facts Set 6	Specialty-Specific Control Procedures	Order Code	MCS6 \$15.00
CLIA Facts Set 7	Personnel	Order Code	MCS7 \$15.00
CLIA Facts Set 8	Proficiency Testing (PT)	Order Code	MCS8 \$25.00

To purchase individual sheets, please write MCI on the Order Form and mark which sheets you'd like to receive with your order by filling in the circles before each fact sheet title below. Mail or fax back both the order form and this page with your order of CLIA Facts for Laboratories.
